If you have a way with makeup -- you know how to create magic with powders, lipsticks and shades -- then this could be business for you. As a makeup artist, you will help customers get their best look for weddings or other special events, makeovers to people who want to update their everyday looks and more. Some of the advantages of this business are that you can start part-time and in the field of footwear. If you live in an area with a viable film industry, you can also become a makeup artist to stars (or hopeful stars) by working on TV or film projects. Those who plan weddings by building relationships (be sure to leave brochures and business cards) with wedding-oriented businesses such as wedding consultants, bridal shops and catering. Working out referral networks with event and party planners, too, along with Relationship factors. Reach the hair salon as well as for potential contributions. Ask the pros: How much money can you make? Nationwide, the average annual salary for a makeup artist is \$34,429, according to Glassdoor, and ZipRecruiter nailed the average hourly payment at \$23. What kind of experience should he have? I first created a YouTube account in 2009 just as a regular viewer. I worked alongside makeup for fun while I was an insurance agent and went to school full time -- and juggling all of this, along with being a wife and mother, I had to choose and ended up dropping out of my makeup-free job. When I told my clients and friends, they told me that I needed to start making videos so they could practice doing their makeup. It started like this -- so I could help -- and I was still able to do what I loved. In 2012 or 2013, I started posting regularly and paying more attention to my films -- for example, if I looked at the beach, I would go to the beach. That's when my account started to grow, Kristen Dominic, Dominic Cosmetics, what's the most important thing I need to know about this business? There are absolutely amazing artists out there, and everyone should draw inspiration from the people they admire. But finding out what works for you is something that will separate you from anything else people have seen over and over again. I prefer 150 unique followers who really appreciate what I'm doing from 100,000 followers who don't interact and aren't involved because they have seen it a hundred times. -Ryan Kelly, makeup artist marketer his clients can be just about anyone who wants to look good, although they will likely be female. You can target brides by building relationships (be sure to leave brochures and business cards) with wedding-oriented businesses such as bridal consultants, bridal shops and catering. Working out referral networks with event and party planners, too, along with PR agents. Nab customers who want a beauty makeover by placing ads on local yellow pages and newspapers and leaving brochures in hair salons, trendy boutiques and clothing shops. Workshops for women's groups or experiments with à la Mary Kay home parties -- but keep in mind that if you sell your beauty products, you'll need a resale license. If you plan to work with bad customers, introduce yourself and leave brochures with plastic surgeons and oncologists. The equipment required in some states, you need a cosmological license to work on customers' skins, so be sure to check with your state board of cosmology. Other than that, all you need is your makeup, brushes and sponges and talents. Benefits Industry Professions
